

STANDARD ROLLER SHADES LIMITED WARRANTY

1. General Warranty.

Subject to the terms, conditions, limitations and exclusions contained in this Warranty, VFF warrants to the Purchaser of Covered Product(s) from VFF that such Covered Product(s) will at the time of shipment by VFF to Purchaser be free from defects in manufacturing.

2. Certain Defined Terms.

“Approved Warranty Claim” means a claim under this Warranty (a) that VFF has determined is valid (i.e., that such claim is within the scope of this Warranty and is not subject to any exclusions, limitations or conditions contained elsewhere in this Warranty), (b) that has been timely made within the Warranty Period in accordance with Section 4 below and (c) for which Purchaser has otherwise complied with its obligations under this Warranty,

“Covered Product(s)” means the fabric roller shades sold by VFF directly to the Purchaser. “Purchaser” means the person or entity who directly purchases the Covered Product(s) from VFF (as evidenced by the order acknowledgment or purchase invoice generated by VFF), and not any other person or entity who subsequently purchases, acquires, uses, leases, possesses or otherwise deals in respect of such Covered Product(s).

“VFF” means Valley Forge Fabrics, Inc., a Florida corporation. “Warranty” means this Standard Roller Shades Limited Warranty.

“Warranty Commencement Date” means the date that VFF ships the Covered Product contained in the Purchaser’s applicable purchase order, invoice, order acknowledgment or similar documentation, whether such Covered Product is shipped by VFF to Purchaser or to another person, entity, designee or destination. “Warranty Period” means the five (5) year period beginning on the Warranty Commencement Date on the manual mechanism and five (5) year warranty period on battery-operated mechanism. One (1) year period on the shade cloth/fabric.

3. Warranty Period.

This Warranty shall remain in full force and effect during the Warranty Period. This Warranty will not cover any claims made by Purchaser after the expiration of the Warranty Period.

4. Warranty Claims and Process.

Purchaser must submit any claims under this Warranty in writing to Valley Forge Fabrics, Inc., 1650 W McNab Road, Fort Lauderdale, FL 33309 (email: qualityteam@valleyforge.com). All claims must be in writing and contain the following: (1) the name of Purchaser; (2) the name and description of the Covered Product in respect of which the claim is being made; (3) the date of purchase of the Covered Product from VFF (along with the applicable invoice or order acknowledgment issued by VFF in respect of such purchase); (4) a detailed description of the manufacturing defect claimed by Purchaser; (5) a detailed description of any damage Purchaser claims has occurred to the Covered Product as a result of the claimed manufacturing defect; and (6) photographs of the Covered Product in respect of which the warranty claim is being made evidencing the damage described in clauses (4) and (5).

Any claim under this Warranty that does not contain all of the items described in the prior paragraph or is received by VFF after the Warranty Period has expired will not be valid or honored under this Warranty. VFF will have the right to inspect or perform an investigation in respect of any Covered Product for which Purchaser is making a claim under this Warranty. To that end, Purchaser will cooperate with VFF in any such inspection and/or investigation. Without limiting the foregoing, Purchaser will provide VFF or its representatives with physical access to Purchaser’s facilities where the Covered Product is located, will provide VFF, at Purchaser’s cost and expense, with the

Covered Product upon request and will accurately and timely comply with VFF's requests and inquiries in connection with such inspection or investigation. Purchaser's failure to comply or assist with VFF's inspection and/or investigation as described in this paragraph will result in the applicable claim being invalid and not honored under this Warranty.

VFF will, in its reasonable discretion, solely make all determinations as to whether a claim by Purchaser under this Warranty is valid or whether such claim is invalid, limited by the terms of this Warranty (including, without limitation, by reason of the exclusions below), voided by the terms of this Warranty or otherwise affected by reason of the terms of this Warranty. Any and all determinations made by VFF in respect of claims under this Warranty shall be final and binding on Purchaser (unless Purchaser demonstrates that VFF has engaged in intentional and willful misconduct in respect of such determinations).

5. Warranty Remedies.

In the case of an Approved Warranty Claim, VFF will determine whether any replacement part(s) is needed to repair the Covered Product or whether the entire Covered Product needs to be replaced. If VFF determines that any replacement part(s) is needed to repair the Covered Product, VFF will provide Purchaser with such replacement part(s). If VFF determines that the entire Covered Product needs to be replaced, VFF will replace the Covered Product with a fabric roller shade being sold by VFF at the time of the Approved Warranty Claim which, in VFF's sole discretion, is most similar to such Covered Product. For all Approved Warranty Claims, Purchaser is responsible for arranging and paying for picking up, delivery of and/or installation of any replacement part(s) or Covered Product provided by VFF.

Recovery under this Warranty is expressly limited to the prior paragraph of this Section 5, subject to the terms, conditions, limitations and exclusions contained in this Warranty. Without limiting the foregoing, no other costs, expenses or damages (including, without limitation, consequential, lost profit, punitive, extraordinary, incidental, special, indirect or other costs, expenses or damages) are covered by or recoverable under this Warranty.

Additionally, all shipping, transportation, installation, removal and labor costs related to, in respect of or arising out of a Covered Product or an Approved Warranty Claim are expressly excluded from, and not covered by or recoverable under, this Warranty.

If multiple Covered Products are in the same room as the Covered Product which is the subject of the Approved Warranty Claim, only the Covered Product which is the subject of the Approved Warranty Claim will be entitled to replacement part(s) or a replacement Covered Product in accordance with this Section 5 (and not the other Covered Products in the same room).

Any and all determinations made by VFF under this Section 5 shall be final and binding on Purchaser (unless Purchaser demonstrates that VFF has engaged in intentional and willful misconduct in respect of such determinations).
